

# MyBluePrint Assignment

1) go to [start.sd69.bc.ca](http://start.sd69.bc.ca)

2) Click on the MyBluePrint icon, it looks like a blue letter M. Login using your typical login credentials you use for the school computers.

3) Find the "Who am I?" on the left, click on that.

4) There are 5 surveys that you need to complete, please work through them (Approx 30 minutes)

# Who Am I

[Surveys](#) [Match Results](#)

## Surveys

### Learning Styles

Do you remember what you read? Are you good at remembering names? Everyone has different styles of learning they like best. What are yours?

## What do they do?

Registered nurses (RNs) are expected to keep records of patients' medical histories and symptoms. They help doctors in administering patients' medicines, diagnostics, and treatments. They monitor a patient's status and recovery progress, as well as operate medical equipment.

Questions to answer and turn in:

- What were your top 3 Match Results (Careers)?
- What is the estimated salary AND outlook for those 3 career
- When you click on the career look for the "Requirements" tab and look at "potential Programs". What colleges or Universities offer a program for this career?
- Why was or wasn't this process helpful for you (aka give feedback about the tests and results)?

6) Turn in those questions somehow (make a video of you explaining the answers, hand in a document with your answers, write a country song that has your answers, draw a series of pictures, whatever).
